AFSUMB Education Committee has formulated a policy for allotting 'AFSUMB CME Credit Points' to those who are interested. This policy statement is accepted by the AFSUMB Executive Council. The following Affiliated Societies have applied and received 'AFSUMB CME Credit Points' for their education programs:

1. Indonesian Society of Ultrasound in Medicine [ISUM]
2. Indian Federation of Ultrasound in Medicine & Biology [IFUMB]
3. Bangladesh Society of Ultrasonography [BSU]
4. Mongolian Society of Diagnostic Ultrasound [MSDU]

AFSUMB Education Committee has proposed an 'AFSUMB CME Credit Point' Logo which will be displayed on the education materials and certificates of the education programs seeking the Credit Points.

This 'AFSUMB CME Credit' Logo will be placed before the AFSUMB Council at its Delhi meeting for acceptance.

AFSUMB Council selects a number of representatives amongst its affiliated societies for presenting papers in the WFUMB Congress. Education Committee likes to propose that one representative from the AFSUMB Education Committee will be selected for presenting paper on the education activities of the AFSUMB in the WFUMB Congress.
