RE.: New Website of AFSUMB

Dear AFSUMB Members,

We hope this finds you well during this pandemic period.

It is our great pleasure to announce that the new AFSUMB website has already opened since June 1, 2021: <http://www.afsumb.org/>

During this hard period, it is believed that the role of our website would be far more crucial for academic activities including education, research and communication among AFSUMB members. Therefore, AFSUMB Website Committee was organized after the AFSUMB AC and GA Meetings that were held in the end of August 2020.

Since the first AFSUMB Website Committee Meeting on September 17, 2020, we have had seven Zoom meetings so far. For a better service to our AFSUMB members, we have been aiming to create a new attractive website which will be continuously revised and updated. We are grateful to all the members of website committee for their wonderful job in improving the website's quality.

For the development and continuous improvement of our new website, your comments are highly appreciated. Thank you for your attention.

Please take care and stay healthy.

Kind regards

Yung-Liang Wan, MD
President of AFSUMB

Akihiko Kikuchi, MD
Chair of AFSUMB Website Committee

Past presidents of AFSUMB:
