

Journal of Medical Ultrasound Report:

1. The update situation of the journal

Submissions	2020	2021	2022 (1/1-7/18)
Total Submitted	193	224	70
Acceptance Rate	56%	54%	65%
Rejection Rate	44%	46%	35%

The number of manuscript submission is less in this year, however, the acceptance rate is increased, and we need the committee members to encourage the members to submit their review articles or researches to our journal.

2. The official data in 2021

I. HTML full-text article request

Year	2019	2020	2021	2022(Jan-Jun)
Total	94,533	129,916	194,414	114,743
Year			2021(Jan-Jun)	2022(Jan-Jun)
Total			90,176	114,703(↑127%)

Since 2019, the full-text article request is increasing yearly, especially there is a 127% rate of increase in this year.

II. PDF download

Year	2019	2020	2021	2022(Jan-Jun)
Total	5,426	13,984	18,046	13,418
Year			2021(Jan-Jun)	2022(Jan-Jun)
Total			10,256	13,416(↑131%)

PDF download also increased prominently.

III. We have already collected in the database of DOAJ (Directory of Open Access Journals), Scopus, PMC (PubMed Central), ESCI (Emerging Sources Citation Index), and is evaluated by the SCIE (Science Citation Index Expanded).

IV. The journal metrics-Scopus
